The Platform

The rapidly evolving world of work is creating unprecedented demand for solutions that enable effective reskilling and upskilling. Across Asia, governments, institutions and employers are actively seeking innovative tools, technologies and models that bridge education and employability through experiential learning, apprenticeships and workforce-ready pathways.

DIDAC Skills offers exhibitors a unique opportunity to position their solutions at the center of this transformation. As **Asia's only exhibition dedicated exclusively to skills development**, the event attracts a highly targeted audience of policymakers, educators, training providers, employers and decision-makers responsible for skills strategy and implementation.

Now in its **second edition**, the exhibition provides a focused platform to demonstrate solutions, generate high-quality leads and build strategic partnerships across education, industry and government. Exhibitors gain direct access to stakeholders actively looking to adopt scalable, real-world solutions that address current and future skills needs.

With a strong global outlook and clear regional relevance, DIDAC Skills enables exhibitors to benchmark offerings against international best practices, strengthen brand visibility and accelerate market engagement across Asia's evolving skills ecosystem.

Be a Part of the Global Showcase of the Future of Skills

25 - 27 November 2026

Bangalore International Exhibition Centre

Bengaluru, India

Why Didac Skills

- **Gain deep market insight** into India's fast-growing skilling ecosystem, complemented by global trends and benchmarks.
- **Showcase technologies, tools and industry-led solutions** to a highly targeted audience of decision-makers.
- **Position your brand as a future-skills leader** shaping employability and workforce readiness.
- **Engage directly with stakeholders across every sector of the economy**, from education to industry and government.
- **Demonstrate solutions that support career pathways** across all job levels-from blue-collar to white-collar roles.
- **Connect with governments, employers, education & skill institutions, sector skill councils, training providers and assessment bodies** in one focused platform.
- **Identify current skill gaps & emerging workforce needs** to align offerings with industry demand.
- **Build employer partnerships** supporting hiring, assessment and certification outcomes.
- **Participate in skill challenges and live demonstrations** to highlight solution effectiveness and industry relevance.
- **Explore opportunities in global skill mobility**, enabling cross-border deployment of skilled talent.

Visitor Profile

The DIDAC Skills is a premier convergence platform for the skills ecosystem, bringing together influential organisations, technology-driven solutions and innovations shaping the future of skill development, employability and workforce readiness. It provides a collaborative platform for strategic networking, knowledge exchange and solution discovery-uniting decision-makers, practitioners and thought leaders from across the skills and employment ecosystem.

The platform provides exhibitors with direct access to a highly targeted audience and enables meaningful engagement across the full skills and education value chain, including:

- Government Officials & Policymakers
- Industry Professionals and Corporate Decision-Makers
- Education Institutions and Academic Leadership (Schools, Colleges, Universities)
- Educators, Trainers and Skill Development Experts
- Employers, Recruiters, and Talent Acquisition Leaders
- Career Guidance, Employability and Workforce Professionals
- Entrepreneurs, Innovators, Think Tanks and Start-ups
- International Delegations, Missions & Development Agencies
- Skill Development Institutions and Vocational Training Providers
- HR & Workforce Strategy Leaders
- Industry Associations and Chambers of Commerce
- Non-Governmental Organisations (NGOs)
- Media, Press and Knowledge Partners
- And much more

By converging policy, education, industry and skills innovation on one integrated platform, DIDAC Skills creates a powerful ecosystem that drives collaboration, solution adoption and measurable impact in skill development and workforce transformation.

Exhibitor Profile

DIDAC Skills is a premier convergence platform for the skills ecosystem, bringing together influential organisations, technology-driven solutions and innovations shaping the future of skill development & skill based learning. The exhibition presents a curated showcase of end-to-end offerings focused on skilling, employability and workforce readiness across education, industry & government.

The platform provides exhibitors with direct access to a highly targeted audience and enables meaningful engagement across the skills value chain, including:

- Government Bodies and Public Sector Institutions
- Industry and Corporate Organisations
- Training and Skill Development Providers
- Assessment, Certification, and Awarding Bodies
- Education and Academic Institutions
- Industry Associations and Chambers of Commerce
- Start-ups and Innovation-Led Enterprises
- Skill Tech & AI-Enabled Skills Platforms
- Publishers & Digital Content Providers
